SUSTAINABILITY OF DEMOGRAPHIC DEVELOPMENT: DETERMINANTS AND RESOURCES

International Scientific Conference XV Ural Demographic Forum (UDF-2024)

Dear colleagues,

We kindly invite you to take part in the XV Ural Demographic Forum "Sustainability of Demographic Development: Determinants and Resources" (UDF-2024), which will be held in Ekaterinburg on 5-7 June, 2024.

UDF-2024 aims at enhancing scientific cooperation, exchanging experience and scientific results achieved by Russian and international researchers in the field of population science and related disciplines, improving research strategies, and offering practical recommendations concerning demographic development.

UDF-2024 will traditionally bring together representatives of the academia, authorities, public organizations focused on social, demographic and migration policy. As part of the event, the contest "**Demography of the native state**" will be held (the terms of participation and requirements for projects are posted on the forum's website <http://udf-conf.ru>).

The Proceedings of UDF-2024 will have been issued by the beginning of the Forum. All articles will be indexed in Russian Index of Science Citation (RISC). Publication of papers indexed in RISC is free of charge, no registration fee required. By the authors' request, peer-reviewed articles will be published in a journal indexed in the Scopus database and sent for indexing. The registration fee will be posted on the conference website.

Conference participation mode: face-to-face and online

UDF-2024 Scope:

1. Demographic Sustainability: Historical Experience
2. Population and Economy in the System of Sustainable Development
3. Demographic Behaviour: Sociological and Psychological Aspects
4. Fertility in the Regions: Solutions for the Formation of New Trends
5. The Family Institute in the 21st Century: Challenges and Successful Practices
6. Migration: Meanings, Goals and Results
7. Russian and Foreign Experience of Public Health Protection
