

## 2018-11-14

### Day 1 Conference hall

9.10 - 9.30	<b>Приветствия / Welcoming words</b>	A.A. Schepin, Minister of Natural Resources and Ecology of the Republic of Karelia; President of the Karelian Research Centre Russian Academy of Sciences O.N. Bakhmet; Director of the Forest Research Institute of KarRC RAS A.M. Kryshen
9.30 - 10.00	<b>Fire ecology and silviculture in Eastern North America</b>	Yves Bergeron, UQAT, Canada
10.00 - 10.15	<b>Transnational efforts as the driving force in the research on forest fire activity in the boreal zone</b>	Igor Drobyshev, UQAT and SLU, Canada & Sweden
10.15 - 10.30	<b>Directions for forest research in Russia and in Forest Research Institute</b>	Dr. Alexander Kryshen, Karelian Research Centre, Forest Research Institute
10.30 - 10.50	break	
10.50 - 11.10	<b>Mid-range predictability of fire hazard from weather observations</b>	Jonathan Eden, University of Coventry, UK
11.10 - 11.30	<b>Attribution study for 2018 fire season in Sweden</b>	KNMI, Folmer
12.00 - 14.00	lunch	
14.00 - 14.15	<b>Holocene-wide legacies of forest fire activity in the boreal zone</b>	Prof. Adam Ali, University of Montpellier, France
14.15 - 14.30	<b>Modelling of circumboreal fire activity</b>	Prof. Christelle Hély, University of Montpellier, France
14.30 - 14.45	<b>VERIFICATION OF CHRONOLOGY OF LARGE-SCALE FOREST FIRES IN THE BAIKAL REGION</b>	Prof. Viktor Voronin, Siberian Institute for Plant Physiology and Biochemistry, Irkutsk
14.30 - 15.30	break & poster session	
15.30 - 15.45	<b>Landscape-fire interactions in the modern Scandinavian landscape</b>	Gui Pinto, SLU
15.45 - 16.00	<b>Holocene fire history and vegetation in Komi Republic, Urals region, Russia</b>	Chéïma Barhoumi, University of Montpellier, France
16.00 - 16.15	<b>Paleo-fires and climate changes in northern European boreal forests during the Holocene</b>	Gwenael Magne, University of Montpellier, France
16.15 - ...	poster session	
19.00	Supper at FREGAT hotel	

## 2018-11-15

### Day 2

8.00	Excursion, departure 8.00, Hotel "Fregat"	
12.00 - 13.30	lunch	
16.00	back to Petrozavodsk	
17.00 - ...	Steering group meetings office 326, Pushkinskaia, 11	

## 2018-11-16

### Day 3

#### Conference hall

9.00 - 9.20	<b>Satellite observed impacts of wildfires on regional atmosphere composition and the shortwave radiative forcing</b>	Prof Li Rui, University of Science and Technology of China (USTC)
9.20 - 9.40	<b>Merging dendrochronological reconstruction of fire history and hydrology analyses</b>	Tuomas Aakala, University of Helsinki, Finland
9.40 - 10.00	<b>Fire and vegetation dynamics of Eastern Canada: a ministerial perspective</b>	Pierre Grandin, Ministry of Natural resources of Quebec
10.00 - 10.30	break and poster session	
10.30-10.50	To be announced	Heikki Seppä, University of Helsinki
10.50 - 11.10	<b>Northern North Atlantic oceanic conditions as an important driving factor for forest fire activity in Northern Scandinavia</b>	Tine Nilsen, University of Tromsø
11.10 - 12.20	<u>Panel discussion, future directions in boreal fire-related research</u>	
12.20 - 14.00	lunch	
14.00 - 16.30	<b>Круглый стол "Лесные пожары с точки зрения лесной науки, практики и правоприменения" (Round table "Management of forest fires") . Obs! This Round table will be in Russian.</b>	<b>Excursion on Abnormal wood collection (Karelian birch and others). Lecture N. Nikolaeva</b>
