Local Steering Committee

Dmitry Subetto, Nikolay Filatov, Tatyana Regerand, Maksim Potakhin, Vasily Kovalenko, Anastasya Sidorova

Scientific Committee

Elena Bezrukova (Institute of Geochemistry, Siberian Branch of RAS, Irkutsk, Russia)

Dmitry Bolshiyarov (St.Petersburg State University, Arctic and Antarctic Research Institute, St.Petersburg, Russia)

Bernhard Diekmann (Alfred Wegener Institute, Potsdam, Germany)

Grigory Fedorov (Arctic and Antarctic Research Institute, St.Petersburg State University, St.Petersburg, Russia)

Larisa Frolova (Kazan (Volga region) Federal University, Kazan, Russia)

Tiit Hang (Tartu University, Tartu, Estonia)

Vladislav Kuznetsov (St.Petersburg State University, St.Petersburg, Russia)

Alexander Lisitsyn (Shirshov Institute of Oceanology, RAS, Moscow, Russia)

Martin Melles (Cologne University, Cologne, Germany)

Tatyana Moiseenko (Vernadsky Institute of geochemistry and analytical chemistry of Russian Academy of Sciences, Moscow, Russia)

Larisa Nazarova (Kazan (Volga region) Federal University, Kazan, Russia)

Evgeny Nesterov (Herzen State Pedagogical University of Russia, St.Petersburg, Russia)

Danis Nurgaliev (Kazan (Volga region) Federal University, Kazan, Russia)

Lyudmila Pestryakova (North-Eastern Federal University, Yakutsk, Russia)

Nadezhda Razhigaeva (Pacific Geographical Institute, Far Eastern Branch of RAS, Vladivostok)

Tatyana Sapelko (Institute of Limnology, St.Petersburg, Russia)

Larissa Savelieva (St.Petersburg State University, St.Petersburg, Russia)

Vladimir Schiptsov (Institute of Geology, Karelian Research Centre of RAS)

Heikki Seppa (Helsinki University, Helsinki, Finland)

Olga Solomina (Institute of Geography, Russian Academy of Sciences, Moscow, Russia)

Krystyna Szeroczynska (Warsaw Research Centre, Institute of Geological Sciences, Polish Academy of Sciences)

Andrey Velichko (Institute of Geography, Russian Academy of Sciences, Moscow, Russia)

Boris Vlasov (Belarusian State University, Minsk, Belarus)

MAIN OBJECTIVES

To get together scientists working in the field of paleolimnology of Northern Eurasia

To share knowledge in the domain of paleolimnology

To discuss the latest paleolimnological data

To find new opportunities for scientific cooperation in the Future

Main scientific topics:

- *field and lab methods and techniques in paleolimnology*
- *deep lake sediment coring*
- *paleoclimate and paleoenvironmental reconstructions*
- *age control of paleoreconstructions*
- *paleolimnology and paleoceanology*
- *paleolimnological reconstruction of natural catastrophic events (tsunami, volcanic eruptions, earthquakes)*
- *paleolimnology in the permafrost zone*
- *paleolimnological transects*
- *paleolimnology and archeology*
- *varvechronology, magnitostratigraphy, tephrochronology*

Important deadlines:

Abstract Submission Deadline – **April 15, 2014**

Notification of Acceptance – **May 31, 2014**

Registration payment Deadline – **July 30, 2014**

Registration via internet

<http://karelika.ru/en/conference/paleolimnortheurussia/>

Invitations and Visas

The Organizing Committee can prepare and send:

- for the Russian participants the invitation letter (mark at the registration form)
- for foreign participants the invitation letter for visa support (mark at the registration form)

Oral and poster presentations

The language of the conference will be English.

The conference program suggests oral and poster presentations.

- oral presentation will be 15 minutes and 5 minutes for discussion (office equipment – computers and multimedia projectors - will be available),
- poster presentation format A1 (594 x 841 mm).

Cultural program

The Organizing Committee suggests to take part in different excursions (please, pay attention to the information and mark at the registration form):

- **Lake Ladoga and Island Valaam**
- **Lake Onego and Island Kizhi**
- **Kivach waterfall**

Locality

Preliminary Program:

- September 20-21, 2014 – Excursion (Lake Ladoga and Island Valaam)
- September 21, 2014 – Arriving, accommodation, rest time in Petrozavodsk
- September 22, 2014 – Arriving, accommodation, registration
- Plenary talks and sessions
 - Ice-break party
- September 23, 2014 – Sessions
- September 24, 2014 – Young Scientists School and Sessions
- September 25, 2014 – Excursions (Lake Onego and Island Kizhi, Kivach waterfall)
- Conference dinner
 - Departure

Abstracts

Abstracts will be published in special conference volume and should not exceed 2 A4 pages (12 pt, single line spacing), including black and white figures and references (see guidelines below). Deadline for abstract submission is April 15th, 2014. Please, send abstracts (in *.doc* or *.rtf* format, figures as a separate file in *.jpg* format) via e-mail to paleolimnology-eurasia2014@yandex.ru
