July 19–22, 2018, Petrozavodsk (Republic of Karelia. Russia)
July 24–28, 2018, Bonn (Germany)
July 30 – August 1, 2018, Anchorage (USA)

Information Letter № 1

Dear colleagues,

International Conference InterCarto/InterGIS-24 "Digital Earth and Sustainable Development of Territories" will be held from 19 to 22 July 2018 in Petrozavodsk (Russia, Republic of Karelia), from 24 to 28 July in Bonn (Germany) and from 30 July to 1 August in Anchorage (United States).

Conference organizers: International Cartographic Association, International Eurasian Academy of Science, Center of World Data System for Geography ICSU-WDS, Lomonosov Moscow State University, Northern Water Problems Institute of Karelian Research Centre RAS.

We invite everyone to take part in the Conference.

Main sections:

- Digital Earth and ensuring environmental, economic and social aspects of sustainable development of territories;
- Digital Earth and geography of the world economy, including digital economy;
- Geoinformatics and the mapping in the field of environmental protection and ensuring environmental safety;
- GI and cartographic support of preservation of cultural heritage and tourism,
- Remote methods of research of the Earth;
- Virtual geographical environments and the concept of Digital Earth,
- Education for sustainable development and the concept of Digital Earth.

Submission guidelines and a sample presented on the conference website:

<http://intercarto.msu.ru/jour/about/submissions>

Rules comply with the requirements of the international database Scopus, as currently applied for the inclusion of the proceedings in Scopus. Articles not formatted according to the rules, will be returned to the authors for revision.

Articles are accepted until April 1, 2018 only via the conference website <http://intercarto.msu.ru>

The materials sent after the deadline will not be accepted.

Publication takes place after a double blind peer review

For submission of article go to <http://intercarto.msu.ru>

Register in the "For authors" section, follow the link "Start submission" and follow the instructions of the system.

At each step it is recommended to specify the most detailed information about yourself and everything that will be requested.

In step 4, you need to attach separate files with illustrations (jpg or tiff format), registration form and a copy of the payment receipt of the conference participant registration fee.
